## Statement of Faith

We believe the Bible to be the inspired, the only infallible, authoritative Word of God.

We believe that there is only one God, eternally existent in three persons, Father, Son and Holy Spirit.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that for the salvation of lost and sinful mankind, regeneration by the Holy Spirit is absolutely essential, and that this salvation is received through faith in Jesus Christ as Savior and Lord and not as a result of good works.

We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to perform good works.

We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.

We believe in the spiritual unity of all believers in our Lord Jesus Christ.

Adapted from the National Association of Evangelicals' Statement of Faith.

“I agree with the above Statement of Faith.”

# Statement of Principle

LPSC is an outreach ministry of Jesus Christ through His church. Therefore, LPSC, embodied in its volunteers, is committed to presenting the gospel of our Lord to women with crisis pregnancies--both in word and in deed. Commensurate with this purpose, those who labor as pregnancy care center board members, directors and volunteers are expected to know Christ as their Savior and Lord.

LPSC is committed to providing its clients with accurate and complete information about prenatal development and current education on abortion risks and procedures.

LPSC is committed to integrity in dealing with clients, earning their trust and providing promised information and services at their request. LPSC denounces any form of deception in its corporate advertising or individual conversations with its clients.

LPSC is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope, and plan constructively for themselves and their babies.

LPSC does not discriminate in providing services because of race, creed, color, national origin, age, or marital status of its clients.

LPSC is an abortion alternative organization and will not recommend, provide, or refer for abortions or abortifacients, but will actively assist clients explore positive alternatives.

LPSC offers assistance free of charge at all times.

LPSC is committed to creating an awareness within the local community of the needs of pregnant women, and of the fact that abortion only compounds the human need rather than resolving it.

LPSC does not recommend, provide, or refer single women for contraceptives. (Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastor and physician.)

LPSC recognizes the validity of adoption as one alternative to abortion, but is not biased toward adoption when compared to the other life-saving alternatives. Centers operate independently of adoption agencies, relating to them in the same manner as to other helpful referral sources. LPSC receives no payment of any kind from these agencies, does not enter into contractual relationships with them, and does not share combined office space. Adoption agencies are not established under the auspices of LPSC. LPSC neither initiates nor facilitates independent adoptions, though they may refer for independent adoptions in states where it is legal.
